

Super Simple Slippers

By Megan Jackson

An easy pattern, just in time for winter, to encourage the knitters amongst us to have a go at crochet. Pattern printed by kind permission of Megan Jackson.

US Terminology

Materials

Bulky (#5) Yarn - sample shown in Loops & Threads Charisma

- 2 colours

H/8 (5mm) Hook

Yarn Needle

Yardage: Megan says: "Depends upon what size is desired. I would say 100–120 yds/90–110m as a ballpark, since the thickness of the yarn will also make a difference. I used Loops & Threads Charisma, which is 109 yards, and had some left over."
