

## YASMINAH'S GIFT OF HOPE

---

At YGOH, we provide support and a Gift Of Hope to families who experience miscarriage, premature birth, neonatal loss, stillbirth or infant loss of their child. Our Gift Of Hope is a hand decorated journal (as pictured below) given to families via hospital, medical centres, funeral homes and palliative care facilities.

We also provide knitted/sewn garments along with our journals to provide families with a lovingly made keepsake that their baby has been able to wear. Items we like to include: beanies, booties, blankets and clothing (in premature sizes as well).
